Top 3 News Items!

All the news you need to know

1. The Acadia Colleague Enhancement(ACE) project has kicked off! The launch meeting featured presentations from President Ricketts and the steering committee. It took place on October 15, 2109. The steering committee for the project is made up of a cross-section of Acadia's leadership team in an effort to ensure that your voices are heard.
2. The project team is fully staffed and is located in Hayward House on campus.

Team Member Profile:

Barry Hachey, Change Manager

Q. How long have you been working on the Colleague project?

A. I started on July 29 so about 4 months

Q. What does a change manager do?

A. As change manager I focus on the people side of change. Change can be difficult so we use a proven methodology that can create dialogue around pain points and thereby help to develop a way forward.

Q. What is the one thing you want people to know about you?

A. I enjoy working with people and being able to help them attain their goals.

Watch for a bulletin every 2 weeks with new information!
