ACE
ACADIA COLLEGE ENHANCEMENT

Top 2 News Items and 1 FAQ!

1. The project team continues to move forward with the configuration of the Colleague Student Information system. As with all of us here at Acadia, our implementation partner, Ellucian, has moved all meetings to virtual. So far things have gone very well.
2. The Project ACE steering committee continues to meet weekly to ensure that the momentum of this important project continues forward.

FAQ- Has COVID-19 affected the project?

Answer- Yes, as mentioned above, all meetings have gone virtual. We are doing our best to continue to meet the timelines for the project while keeping everyone safe

Change can be hard. Have any concerns? Share them here

THE ONLY THING THAT IS CONSTANT IS CHANGE

HERACLITUS

New Video to View!
Listen to **Mark** from the steering committee share his belief on how the new system will improve our ability to support students.
