ACE
ACADIA COLLEAGUE ENHANCEMENT
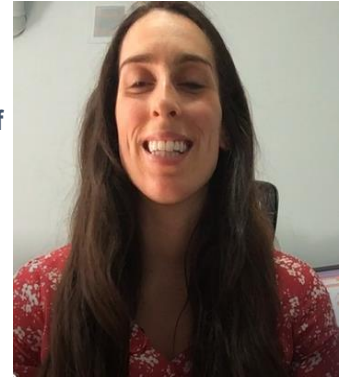

Top 3 News Items

1. The project team, in conjunction with Ellucian and several stakeholders, concluded the workshops for financial aid. This involved several days of collaboration to ensure that the system will deliver the efficiencies expected.
2. With the sudden disruption due to the COVID crisis, we have all become even more aware of the need for reliable systems. The Colleague Student Information System will help us to evolve to where we need to be in preparation for the future.
3. What do you think of when we discuss change management? It is more than simply training on a new system. It provides tools and strategies to activate and accelerate our engagement in the given change.
