1. We have now been live in Colleague for about 1 month. The project team will conclude its time at the end of this year. As a result, there will need to be adherence to the existing institutional processes for support moving forward. As examples:
 - a. Use the appropriate form as per usual for any access management issues
 - b. Any registration issues need to go to the Registrars Office
 - c. Any issues with billing should be directed to Student Accounts
 - d. Technology Service issues should continue to be submitted through the HUB
2. We have added more questions to our Questions and Answers [tab](#) to share information on how to perform certain tasks.

- The project team is working on the student planning and degree audit module of Colleague Self Service. This is an arduous process that requires significant human resources to accomplish. The target date for launch is September 30.
- Thanks to everyone who has adapted to the new system during a very busy time. Things will get better!
